

June 29, 2014

I am pleased to write this reference letter for Mr. Colin Underwood. Colin has been an atmosphere entertainment performer at Ferrari World Abu Dhabi from 3 March 2014 until 28 June 2014. In addition to performing his own one-man show 3 times daily, Colin has excelled as an entertainer walking around the park entertaining guests waiting in long lines and assisting with a park opening routine at 11 am daily.

Colin's one man shows in La Piazza have drawn the largest crowds to date. In relation to the number of guests in the park for the day, well over 30% watch his show on a daily basis which is far above our average for our other entertainment options. We have a diverse audience which is often hard to engage – especially from conservative Gulf countries and Colin does an outstanding job. Colin has used his ad-lib and creative skills to create a show that is pleasing to all, which is not an easy feat. Frequently after the show he has multiple requests for photos and often gets complements from guests of all ages.

No doubt we would welcome Colin back to Abu Dhabi at any time. We appreciate his dedication and commitment to work as well as his dynamic personality and creative skills. It is rare to find a performer with all of these qualities that is also gracious and easy to work with. I highly recommend Colin for any project you may have.

Please do not hesitate to contact me should you have further questions. I can be reached via the information below my signature.

Sincerely,
