

Dear Colin,

I would just like to thank you on behalf of the Crabtree business for the support you have given at our recent company launches held throughout South Africa in 2018.

We found your blend of comedy and magic was entertaining to all attendees and I can vouch for the personal feedback we have received from several attendees on how much they enjoyed your involvement.

I very much wish you well in the future and I will be recommending you to other colleagues with this industry.

Many thanks for your recent support

Kind Regards

Steve Richardson  
Crabtree CEO
